

Northern Ireland Grading 11th October 2025

Northern Ireland members grading at Beatties Livestock Mart saw the close of grading events this year. It was a huge success with over 40 entries. Headed up by the exceptional team Gerallt Jones, Jenni McAllister & Raymond Irvine, and hosting the event was Jamie Wood who did an excellent job explaining the finer points of the blacknose. The day kicked off with a bang as the Cavanalee Flock were awarded maximum points with Cavanalee Mac Mor a very promising ram lamb at only 9 months old, he is one to watch for the future. The day followed with a further 15 one point off maximums, a huge success spread over several flocks and exhibits. Congratulations to all in attendance.

The show after saw Cavanalee Mac Mor take overall champion and the stunning ram lamb Glasshill Mammot take reserve champion, a real flashy lamb with great substance. Overall females went to the Claraghmorr L'Amore a

stunning shearling ewe with phenomenal power and feminine style. Reserve Female went to Glasshill Murren twin sister to Mammot again a stunning lamb one for the future for sure.

We would like to extend a huge thank you to the Society from the NI membership for a great day and a massive thank you also goes to the Beattie Family for their ongoing support of this breed. This event brought not only breeders from Northern Ireland but Southern Ireland, it was wonderful for breeders to come together at such an event to learn grow and share knowledge and even enjoy a little lighthearted banter. Thanks again to all who attended and the society for making it possible. Without grading we cannot progress and grow, grading is a vital part of this breeds development. We look forward to next years already with great anticipation see you all there
