

Welsh Grading - Monmouth 5th July 2025

It was great to attend a fantastically well organised grading and show day in Monmouth. For us, the value of attending these grading events is huge in terms of understanding your flock and whether your breeding choices are taking things forward. We received a -1 score for all our sheep, so close to max points and confirmation for us that we were ever improving our flock. Next year, max points will be ours again, we hope! Taking home champion Ram and Reserve Supreme Champion was a bonus and huge boost for us all. Usk Valley Mad Max took

the Male championship and Usk Valley Limbo Dancer getting a brilliant first place in the 12 to 18 month ewes class.

Meeting fellow local breeders is also a great benefit of the event and fun too. A huge thank you to the graders, Jenni, Jamie and Gerallt and the helpers at the event, Ian and Tom. Finally, Kerry for the excellent organisation.

The community and fun with everyone is wonderful and makes the whole thing a great experience

Miles Morgan

SUPREME CHAMPION
